

Grandview Stage Pet Rules

Grandview Stage accepts pets. Here are our "dog rules":

- o Dogs must be kept on a leash or in a kennel at all times.
- o Excessive barking or aggressive behavior is not permitted.
- o Dogs are not allowed on the cabin furniture or in the store restaurant.
- o Owners must pick up after their pets.
- o Dogs are not to be left in cabins unattended.
- o the charge is \$10 per night per dog.
- o Dogs must be registered at the time of booking, or in the case of walk-ins, at the time of check-in. Pets are not to be smuggled in or guests will be asked to leave.

The above rules are for the comfort of all of our guests and our staff. Guests who do not follow these guidelines may be asked to leave without refund of room charges.

We have 3 cats, 2 dogs and 3 horses. They live here on site. We always take their sides in any disputes.

Hope your stay, and your pet's stay is a pleasant one.
